ITEM NO.

DESCRIPTION

3

Nine (09) 9mm Federal cartridges.

TEST RESULTS / COMMENTS:

3

Latent print processing, using conventional black powder was performed on nine (09) 9mm cartridges at the request of the submitting officer, with negative results.

It is noteworthy to mention that due to the manner in which the items were packaged (scotch taped to a cardboard box) latent processing was not conducted when the items were first received.
